Fateor, delinimenta aurium damus, non tamen quæ virile Tuum pectus emasculent: neq; enim Tu REX Philomuse Misomusurgus ille es Epaminondas, nec Polysspercher Polycretam Pythoni aut Charisio phonaſcis commendatissimis cum Pyrrho præferes, sed inter Victrices Tuas Laurus, & quas iam Fama Templo gloriosissime appendisti, & quæ animo deinceps concipis Tuo, Apollinarem etiam hanc appendi patiare, & Lituis Tuis Martialibus mitem & verticordam addi Musam. Gottorum, Vandalorumque hæreditario Regi,
D. D. meo clementissimo.

Otiua mihi emersit occasio, SERENISS. REX, quæ tibi animi mei olim & nunc in cultum tui deuoti, fidæque tot nexibus beneficio- rum vinctæ, simplex sincerumque apportaret obsequium. Et diu quidem animi pependi, quid facerem, an debito officio Maiestatem lederem Tuam, an religioso potius silentio eandem adorarem: cum hinc imparis metuerem famam, inde ingrati nomen formidarem: cum vtrinq; Maiestatis Tuæ affulgeret fauor, qui honesta securitate animum firmauit meum, ne & diutius deberem quod volui, & Migno, parus redderem ar. Nempe hic MAGNE REX priscam illam religionum parsimoniam imitare me iubebas, quibus mica interdum salis, aut thuris acerra pium officium persoluebatur. Omnia igitur consecutus sum. & sublimi ferio sydera vertice, cum pusillo quidem hoc labore meo, ab animo tamen eminentissima, & semper mihi reuerenda sublimitati Tuæ deuotissimo, colis Te à me patere & obseruari. Fateor, delinimenta aurium damus, non tamen quæ virile Tuum pectus emasculent: neq; enim Tu REX Philomuse Misomusurgus ille es Epaminondas, nec Polyssperchæ Polyocretam Pythoni aut Charisio phonascus commendatissimis cum Pyrrho præferes, sed inter victrices Tuas Laurus, & quas iam Fama Templo gloriosissime appendisti, & quas animo deinceps concipis Tuo, Apollinarem etiam hanc appendi patiari, & Lituis Tuis Martialibus mitem & verticordam addi Musam. Vale, viue, vince Inuictissime REX, & Magni Regni Tui pandera fortissima simul ac felicissima manu diu sustine.
